Safe @ Heights Pty Ltd warrants all workmanship for a period of 10 years in accordance with our Warranty Policy. We guarantee that all systems have been installed correctly and to the manufacturer's specifications. General wear and tear, failure of fixings or abuse of product is not covered by the installation warranty.

All systems must be inspected every 12 months by a qualified and approved Safe @ Heights Inspector for the warranty to remain valid as per the manufacturer's warranty. If the product/system is not inspected at the required intervals or is inspected by a third party not authorised by Safe @ Heights then the warranty will be considered void.

Disclaimer - The warranty provided is applicable only to systems installed by Safe@Heights Pty Ltd.
