(full name)

(Name of organisation)

been maintained during the period covered by this statement in accordance with this code and as specified, ACOLTURE on 5<sup>th</sup> December 2023.  
(Signature) (Date)

1. This yearly statement must be kept with the building’s maintenance records in accordance with A2(c) and be produced on demand by local government officers and authorised officers of the Queensland Fire and Rescue Service.
2. Note: delete prescribed fire safety installations that are not installed in/for the building.
3. For example, in accordance with manufacturer’s instruction manual date day/month/year or in accordance with the building’s certificate of classification.
4. Copies of critical defect notices issued and proof of rectification within the period of this statement must be attached.
5. This is also known as sound systems and intercommunication systems for emergency purposes.
6. Includes additional fire safety installations or conditions that are required under the building’s alternative solution of the Building Act 1975 or BCA clauses E1.10 and E2.3.
7. If the owner is signing or the occupier is not employed by a body corporate the ‘name of organisation’ section does not need to be completed.
